

# Maxi Enviroguard

**Maxi Enviroguard Matt Acrylic** is an ultra premium, low VOC, water based, matt acrylic paint with excellent washability. The matt finish masks surface imperfections on interior walls.

**Maxi Enviroguard Low Sheen Acrylic** is an ultra premium, low VOC, water based, low sheen acrylic wall paint with excellent washability. The low sheen finish resists stains and scuff marks making it an excellent choice for walls in high traffic areas.

**Maxi Enviroguard Semi Gloss Acrylic** is an ultra premium, low VOC, water based, semi gloss acrylic wall paint with excellent washability. Its rich attractive semi gloss finish is perfect for bathrooms, kitchens and laundries.

**Maxi Enviroguard Ceiling Flat** is an ultra premium, low VOC, water based acrylic paint. Its flat finish helps to mask surface imperfections on interior ceilings.

**Maxi Enviroguard Acrylic Sealer Undercoat** is an ultra premium, low VOC, water based, preparatory sealer undercoat. It has excellent hiding and sanding properties and provides the perfect extra smooth base for finishing coats.
